

*Mark and Becky Benisz*

January 2017

Dear Family and Friends,

This year our son Alexander's school, Stein Yeshiva in Yonkers, is honoring Becky and me with the **Parents Award** at their annual dinner. We were surprised when they approached us and humbly accepted this honor so that we can help raise funds for this wonderful yeshiva. We feel privileged to partner with them in their mission to educate Jewish children with the tools they need to be successful in today's complex world.

Stein Yeshiva has been teaching children from Westchester, Manhattan, the Bronx and Rockland County for years. Stein Yeshiva provides a warm and loving education for children starting in infancy through eighth grade. The faculty and administration genuinely care about each and every student with an emphasis on *middos* and Torah values. They view the students as individuals and focus on their strengths while encouraging them to grow and learn. Through our collective support, we can ensure that they continue to provide an excellent education to children of all ages.

The administration believes that every Jewish child deserves a Jewish education regardless of their financial means; accordingly, tuition is kept relatively low. However, as a result, the tuition only covers part of the costs of educating each child. Stein Yeshiva also gives extensive scholarships to those in need.

We understand that you have other commitments and obligations; therefore we ask that you help us as best you can. We greatly appreciate any contribution that can be made to ensure the success of this Yeshiva. Thank you in advance for supporting the Stein Yeshiva Scholarship Fund.

With warm regards,

*Mark & Becky Benisz*
