

Nachum and Atara Joel

January 24, 2017

Dear Family and Friends,

As you know, our son Aiden attends Stein Yeshiva of Lincoln park in Yonkers. We continue to be amazed and thrilled by the many ways in which he has grown and developed at school. At the young age of two, Aiden already recognizes all the letters in the alphabet... and has moved on to the Aleph Bet! He comes home each day from Stein Yeshiva singing songs from davening, regaling Atara and myself with stories from the weekly *parsha*, and most importantly, wearing a massive smile on his face. He has learned to say *brachos* and is checking to make sure his Papa is as well!

This year we have the great honor of receiving the Parent award at the Stein Yeshiva's Annual Dinner. We are so pleased to partner with Stein Yeshiva, an institution that has shaped our child's education, and has done so for countless others. Their sacred mission is to give Jewish children the tools they need to grow and to succeed – and we have seen that mission come to fruition. With affordable tuition and top-notch, loving educators who care on a personal level about the children and their development, we truly are grateful to have Stein Yeshiva.

We urge you to consider Stein Yeshiva's Scholarship Fund when thinking about your charitable gifts this year, and to consider Stein Yeshiva when thinking about how you would like to shape your child's education.

Thank you in advance for your support to this wonderful and important institution.

Sincerely,
