Dear Parents,

Amazingly, summer is around the corner and we are already hard at work planning our next adventure at Camp Shemesh. Our theme this summer is "Let's Explore." Each week at Camp Shemesh, we will explore a children's author and the world they created as we read and let our imaginations soar. We will read how The Rainbow Fish in Marcus Pfister's books learns how to make friends by sharing his most prized possessions. Our campers will enjoy hearing about the Sesame Street gang and their many adventures, like when they are called to respond to a blaze in an abandoned building and have to put out a fire, as well as their trip to Israel. We will dive into the stories of Robert Munsch and enjoy his characters and tales. We will follow Arthur on his adventures and we will read how Corduroy slips out one morning to buy a birthday present and ends up finding the perfect gift. We will see how the Berenstien Bears overcome middos challenges, and so much more!!

While we read these fabulous books and so many more, we will create art projects, science experiments, and enhance our Jewish values as well. It will be so much fun to explore the world through these characters and their fun adventures. Additionally, each week there will be a Judaica activity. We will touch upon the Parsha and celebrate Shabbos with a party in each bunk. There are a few surprises we are working on as well, which will be announced on the camp calendar.

At Camp Shemesh, our days always begin with lots of bright smiles and are filled with swimming, arts & crafts, music, gym, projects, and so much more. The campers have so much fun going from activity to activity while singing through the hallways and running around outside. It is such a pleasure to spend each day watching them enjoy their new friends and all camp has to offer. So please come join us at Camp Shemesh for another amazing summer as we dive into some fabulous stories and adventures that follow!!

I'm looking forward to hearing from you,
Michelle Shteingart,
